## FREE PARKING ALL SITES

### \*\* ALL EXAMINATIONS \*\*

**Remember to bring the Imaging Requisition plus your Alberta Health Card and photo ID. If you are unable to keep your appointment, please phone 780-669-2222 to reschedule it (There is no facility to look after small children.)**

#### MRI EXAM PREP

- All patients will complete a Patient Safety & Consent form that the technologist will review prior to scanning.
- Patients requiring an **MRI contrast** for enhanced studies will also complete an *MRI Contrast Consent* form.
- If the patient has had an injury to the eye with metal, they may require **orbit x-rays** prior to MRI examination
- Patients will be asked to remove all jewelry, piercings, watches, belts, keys, coins, credit cards and any other type of removable devices that are considered magnetic.
- Patients may be required to change into a patient gown depending on the examination type.

*Patients requiring oral sedation must obtain the sedation from their referring physician. A family member or friend must accompany the patient to drive him/her home following the procedure.*

Brain  
Spine  
Extremities

No patient preparation required.

Chest Wall  
Breast

No patient preparation required.

Abdomen  
Kidneys/Liver  
Pancreas  
Pelvis

Patient should not eat or drink 4 hours prior to the examination.

*\*Medications may be taken as usual.*

#### CT EXAM PREP

- All patients will complete a Patient Information and Consent for Enhanced CT form.
- Patients requiring an injection of CT contrast for enhanced studies should be evaluated for renal function by the referring physician. A creatinine level may be required within 30 days prior to scheduling the exam if there is any question.
- If the patient is diabetic please call 780-444-5652 for instruction.
- Patients may be required to change into a patient gown depending on the examination type.
- Patients requiring an injection of CT contrast should have no solid food for 4 hours prior to the CT scan.

*Please note that all relevant reports should be faxed to the clinic immediately and previous X-ray/US/CT/MRI images must accompany the patient or be forwarded to the clinic prior to the appointment. Any relevant images that are not received may cause a delay in the reporting.*

Brain  
Spine  
Extremities

Patient should not eat 1 hour prior to exam.

Chest  
Thorax  
Abdomen  
Pelvis

Patient should not eat or drink 4 hours prior to the exam. All patients for CT abdomen or abdomen and pelvis exams must arrive 45 minutes prior to their appointment to drink oral contrast.

Coronary CT  
Angiography

Read and follow CT contrast instructions above. No caffeine or exercise the morning of exam. Beta-blocker medication (Metoprolol) is necessary to slow your heart rate prior to the exam. Please take this as directed (usually 1 pill the night before and 1 pill the morning of the exam)

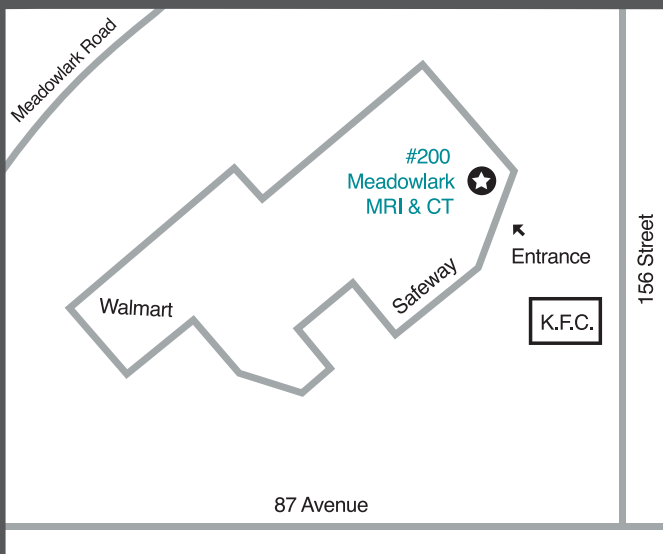

Virtual  
Colonoscopy

Two days before the exam, you will be provided with a kit that includes a low-fibre diet and medication to assist bowel cleansing. Simply follow the provided instructions and you are ready for the exam.

*\*Medications (except Glucophage/Metformin) may be taken as usual.*

*\*Diabetic patients taking Glucophage or Metformin must consult with their doctor prior to and after the CT scan appointment.*
