**\*\* ALL EXAMINATIONS \*\***

**Remember to bring the Imaging Requisition plus your Health Care Card and photo ID. If you are unable to keep your appointment, and need to reschedule, please phone the clinic directly. (There is no facility to look after small children). The following examinations are by appointment only. When making an appointment, please notify if patient is diabetic or pregnant.**

**Stomach and Duodenum (S&D), Esophagus (E), Upper GI (UGI), or Small Bowel (SB FT)**

**Morning Appointment** - Nothing to eat or drink after midnight the night before the examination. Small Bowel exams may take up to three hours to complete.

**Diagnostic Ultrasound Examinations**

**Abdominal**

For morning appointment: nothing to eat or drink after midnight or the morning of the examination.  
For afternoon appointment: a light breakfast of toast, coffee or tea (no dairy products) 6 hours prior to the examination.

**Abdomen & Pelvic**

Nothing to eat for 6 hours prior to the examination, but 1 1/2 hours prior to the examination drink FOUR 8 oz glasses of water and refrain from urinating. Finish all glasses of water 1 hour before time of examination.

**Obstetrical Or Pelvic / Kidneys (Renal) & Bladder**

**IMPORTANT: THE BLADDER MUST BE FULL.**

1 1/2 hours prior to the examination drink FOUR 8 oz glasses of water and refrain from urinating. Finish all glasses of water 1 hour before time of examination

**Nuclear Medicine Examinations**

<b>HIDA (Hepatobiliary) Scan:</b>	Nothing to eat or drink after midnight the night before the examination. Stop narcotic pain medication 6 hours prior to scan.
<b>Liver RBC Scan:</b>	No Barium intestinal tests for one week prior to scan.
<b>Thyroid Scan:</b>	Do not take thyroid medication 4 weeks before the exam. Need results of thyroid blood test at time of scan.
<b>Myocardial Perfusion Scan:</b>	Nothing to eat or drink for 4 hours before the exam (2 hours if diabetic). No caffeine for 24 hours prior to injection (chocolate, pop, decaf coffee). No food 4 hours prior to exam (early morning exams may have a slice of toast or a granola bar 2 hours before injection time). Diabetics - No food for 2 hours prior to exam. Please continue to drink water or caffeine free beverages prior to exam. Wear comfortable clothing and please no cologne or perfume.
<b>Renal Scan / Renogram:</b>	Drink 3 cups of water 30 minutes prior to examination.
<b>Other Scans:</b>	Need no preparation unless informed at time of booking.

**\*If you are breast feeding, please talk to the technologist prior to the injection.**

**Mammography**

**Do not use deodorant, antiperspirant or talcum before the examination.** Stay on a caffeine free diet to minimize discomfort of compression required for optimal examination. Premenstrual breast tenderness - you may delay booking until tenderness has subsided. Wear a two-piece outfit. At time of booking advise where previous mammogram was done and if possible allow appropriate time for films to arrive before appointment date.

**Pain Management Injections**

Continue all medications and your usual diet both before and after the procedure. If you have an active infection your procedure will have to be rescheduled and you must notify Central Booking (780-669-2222). Please be advised, depending on your procedure, you may require a driver. When scheduling your appointment our Patient Care Coordinators will provide you with further instructions. You will be required to stay in the clinic for 15 minutes after the procedure to monitor your response to the injection. You should refrain from strenuous activity for at least a day after the injection. Also avoid hot tubs, swimming pools or prolonged bathing for the next 24 hours.
